

Successful networking only works with **consistency** and we're here to **help you** achieve **business success**. With a successful business running for 10 years, we know this works.

Meet like-minded **focused** businesswomen on a regular basis, for support, expertise, contacts – all to help **grow your business**.

Key to being an **effective, successful networker** is – **consistency**. Do **trusting, lasting business relationships** with **mutual benefit** happen if you dip in and out of networking "when you have time"?

Often "when you have time" can be when you don't have any work, easily giving the impression of "feast or famine" – **consistency** pays.

Will **your** name spring to mind for recommendation, if you're not seen regularly?

1230 TWC networking ticks all the boxes to support your success, and includes a delicious meal. [Check all the benefits here](#)
